At the conclusion of the A.G.M. the A.A.A.A. National Council will host the AAAA's 30th Year Anniversary Celebration Dinner to which all members and associates are cordially invited.

30 years ago a group of aftermarket businesses came together to discuss regulatory developments in Australia and their impact on the automotive parts and accessories industry. Putting aside their competitive rivalries, they decided that the best way to protect the industry was to band together under a common banner and thus the Australian Automotive Aftermarket Association was formed.

In our 30th year we have decided to focus our commemorative activities on bringing members together. As a result we are running subsidised anniversary dinners in each mainland state capital.

We cordially invite you to attend our NSW Dinner on the 18th October. Entertainment will include a short DVD on the development of the AAAA and Australian aftermarket followed by a presentation from our **special guest speaker The Hon. Frank Terenzini NSW Minister for Small Business.**

This event will provide a fantastic opportunity for you to network with your industry colleagues and we encourage you to invite staff and key customers along to celebrate this important milestone with us.

To make a dinner reservation, please fax this form together with your payment to the AAAA National Office, 03 9545 3355 by Wednesday 13th October 2010.
